GAR COMMITTEE REPORT FORM

Committee: Professional Standards Committee Meeting Meeting Date: September 10, 2015

Member Attended: **Camille Gard**

Association Executive Report Submitted To:

Date:

Items Discussed: National Association of Realtors Model Citation Policy.

1. Created a subcommittee to edit the Model Citation Policy as necessary to create a draft Citation Policy to bring to the next meeting to review. Regarding fines, no hearing, since we are statewide now. But there's questions, such as who get the fines, GAR. It was done that way at one time when local boards got to keep the fine money. It is meant to simplify things, but a lot more discussion from some of our leaders/ teachers of law, don't all agree yet. We do need consistency with GAR and NAR, that would be good, however not ready yet
2. Discussed National Association of Realtors expedited Professional Standards process. Created a sub committee. Involves a timeline to determine if the process can be expedited.
3. Suggestions for an Ethics Mediation process
4. Reviewed the 2015 year to date Ethics & Arbitration Activity charts.
5. Discussed request to publish statistics anonymously on the GAR website. Created a subcommittee to determine how the statistics should be displayed on the website and to bring the template to net meeting for review.

SO MANY THINGS ARE ACCOMPLISHED BY THESE MEETINGS, CONFERENCES, WHETHER AT THE LOCAL OFFICE OR AT A FUN AND WORK FILLED CONFERENCE. **I AM PROUD TO BE A REALTOR.**

Please volunteer to be a part of this wonderful Association if you are not already.
