

CHEROKEE ASSOCIATION OF REALTORS® GAR COMMITTEE REPORT FORM

Committee: President's Forum

Meeting Date: Sept. 19, 2013

Member Attended: Susan West

Association Executive Report Submitted To: CAOR BOD

Date: 09/24/2013

Items Discussed:

Presidents forum was all the 2013 Board Presidents with the 2013 GAR President, Robin Lance discussing the year so far.

What is our Legacy going to be? I want mine to have a note of Positive to it.

- We need to leave our Board in better shape than when we started.
- Get things done that are not done yet. Wrap up what we started.
- Don't hang on....release to the next President. Help them to have a smooth transition.
- Take the President to lunch/coffee...tell her that she has my support and give her a head's up on what worked and what didn't this year.
- Register for at least one State Committee.

Things that worked well for other Board Presidents:

- Chartered a bus to the Inaugural Legislative conference on the Capitol day.
- Athens - Had a Family Fun Day with members, business partners (Affiliates) and their Family members. Had pony rides for the kids, games, cotton candy, etc.
- Realtor Day on the Square - Educating the public on what a REALTOR is.
- REALTOR Act of Kindness Week. Set up in 10 locations across town at the same time giving out bags of candy that said, Have a Nice Day from CAOR. Showing that we, as REALTORS, work and live in this community.

Thoughts (Relevancy to CAOR):

Many of the above ideas.
