

CHEROKEE ASSOCIATION OF REALTORS®

GAR CONFERENCE REPORT FORM

Committee/Class Attended: **WOMEN'S COUNCIL OF REALTORS GA. NETWORK GOVERNING BOARD MEETING**
Date: **WEDNESDAY, FEBRUARY 7TH 2018**

State Director Name: **CAMILLE GARD**

Association Executive Report Submitted To: Karen Cunningham

Date: 2/10/18

Items Discussed:

Women's Council of Realtors Governing Board Meeting was open to anyone as long as you sit around the edge of the room and not at the reserved seats around the tables.

This is always a very professional, all business, meeting. Cell phones off or silent, avoid side conversations. When reporting, stand, be brief, stay on topic & address the Chair.

Women's Council is about helping Realtors grow in business and especially leadership. This year the Tag line is **"When you're green you grow, grow with us in 2018"**

The WCR Officer Reports were given from the President, President Elect, Secretary, Treasure, & the two Governors.. Standing Committee Reports given by: Bylaws & Standing Rules, Budget & finance, Approval of 2018 Budget, Education & Programs, Membership, Leadership Identification & Development, Nominating, & Strategic Planning.

The Nine (9) Local Network Presidents reported on how this year is going and what they are doing locally to grow. The Cherokee and the Cobb WCR joined together around 4 years ago to become **North Metro**. They meet for lunch monthly at Copelands of New Orleans located on Barrett Pkwy, Kennesaw. The current President is Lanessa Pettigrew.

The Chapters have been growing, after having lost members during the depression and loss of sales in our business.

It is a worth checking into way to grow your business. WCR is very respected in the business. They do have men involved.

Thoughts (Relevancy to CAOR): There's always room for improvement and to network with other like-minded people. An extension of your business. Don't be just a Realtor. Get designations.
